

Quality Policy

December 1, 2014
DM KOKOKUSHA Co., Ltd.
President and CEO
Kohei Fujimoto

Based on our management philosophy,
Employees fully understand the business of the customer,
To provide high quality service and reasonable price,
Continuously implement foolish improvements through business visualization and standardization,
We aim to be a company that is truly trusted by our customers.

Management Philosophy

- I . We fully understand our customers' business and provide high quality services at reasonable prices.
- II . We all work responsibly and consciously to satisfy our end customers.
- III . We will do our best to satisfy both "the eternal prosperity and continuity of the company"
and "the prosperous life and happiness of the individual".
- IV . We appreciate the profits that the company makes and strive to contribute to society.
